Chairperson's Review

I am pleased to welcome you all to the XXXVII Annual General Body Meeting of ICPB and extend my heartfelt congratulations to all members of the Bureau on the successful completion of the last financial year, 2023-24.

In recent years, India has emerged as one of the most sought-after MICE destinations. The country offers an impressive combination of convention centers, accommodations, and other conference support facilities essential for hosting successful events. According to International Congress and Convention Association (ICCA), more than 10,000 remarkable spaces have contributed to positive economic trends, improvements in infrastructure, and enhanced tourism, combined with the global expansion of Asian companies. As Per ICCA Report 2023, India currently ranks 30th by hosting 123 international meetings. The inclusion of an Asia Pacific destination among this year's top five highlights the region's significant strides towards returning to normalcy following the pandemic.

ICPB had a very eventful year, participating in the international event IMEX Frankfurt. Additionally, we hosted several major domestic activities, including the Memorial Lecture, the ICPB Open House Session, and a FAM Trip to Kolkata in collaboration with West Bengal Tourism.

The 14th edition of our flagship event, the 14th Conventions India Conclave, themed "Sustainable MICE: Empowering Events towards a \$5 Trillion Economy," took place at Mahatma Mandir, Gandhinagar, Gujarat, from December 7-9, 2023, with over 350 participants, including buyers, exhibitors, and delegates. During this event, ICPB announced the opening of a State Chapter in Gujarat to position the state on the MICE map of India, along with the launch of a digital MICE Planner showcasing MICE facilities in the country.

With the cooperation of all members and stakeholders, I sincerely hope that we will be able to center the MICE segment on the world map. I wish ICPB all the success in the coming years. **Mugdha Sinha**, IAS Director General (Tourism) & Chairperson, ICPB

An Open House Session of ICPB with the new Chairperson ICPB, Smt. Manisha Saxena IAS, Director General (Tourism), Government of India was held at 4:30 in Room No. 292 on Friday, the 26th April 2026 at The Ashok New Delhi.

It was announced that, Smt. Manisha Saxena IAS, Director General, Ministry of Tourism, Government of India has taken over charge as the new Chairperson of ICPB in a recently concluded ICPB Governing Board meeting, the India Convention Promotion Bureau (ICPB).

Speaking on the occasion, Smt. Manisha Saxena emphasized *on the 'Post the success of G20 Summit last year'*, there is a lot of global talk going on about India. There is also a geopolitical situation in the world where India is fast becoming an automatic choice for most events and conferences. However, we need to segment our offerings and reach out to the target market. For this, we need to have a market analysis done, a brochure tailor-made as per this market analysis and we have to offer a bouquet of everything that a particular city/destination in India has to offer. A big trend today is Business cum Leisure and we must position the 'leisure' aspect clearly in order to lure business. People should not come to India and say that they did not know what the city had to offer. She also mentioned restructuring within the Ministry of Tourism from over twenty divisions to just nine, with a specific focus on introducing new product offerings tailored to different markets.

Mr. Arun Srivastava, Joint Director General, Ministry of Tourism, highlighted the need to capitalize on the momentum generated from the G20 summit. He stated, "We have the Venues and infrastructure; we must overcome challenges and realize the full potential of our MICE industry".

- **ICPB's Participation at IMEX Frankfurt 14-16 May 2024:**

The Ministry of Tourism, Govt of India had participated at IMEX Frankfurt held from **14-16 May 2024** and set up India Pavilion at Hall No. 8 (465) under Incredible India banner with booth space allocated to all co-exhibitors.

As IMEX is exclusively a global MICE trade show, India Pavilion was prominently branded as a MICE destination showcasing the country's impressive infrastructure.

After making all arrangements for putting up the India Pavilion, unfortunately the MOT officials were not able to travel to Frankfurt to meet and interact with the global meeting planners attending the show.

Executive Director, ICPB also could not travel, like MoT officials for want of visa. However, ICPB conducted all the pre scheduled appointments virtually.
